

# Introducing . . . The New *SuccessTEAM* Info Disk

## *THE PERFECT RECRUITING SYSTEM*

Now it's easier than ever to build a strong, successful Sales Team. U.S. Mortgage Reduction has created a brand new, "state-of-the-art" recruiting tool that gives the perfect presentation every time! The SuccessTEAM Info Disk will show your potential Sales Team members all the benefits of the Equity Acceleration Program and why they need to be a part of this fast growing industry.

Place an ad in a local (or out-of-town) newspaper or trade journal and mail a disk to the people who respond. Show off the SuccessTEAM program on an Internet web site and download it or e-mail it to your recruits. You don't need to be a computer genius to use it. You don't even need to own a computer to make it work for you. All you need to do is get it into people's hands and the software will do the rest.
